

RIDER

This is a list of what Kent Julian needs in order to ensure a quality program for your organization. If you have any questions, contact our office by emailing booking@motivationalyouthspeaker.com.

Additionally, please remember that Kent prides himself on being the easiest speaker in the world with whom to work. This means we are here to serve you and make the details of Kent's part of your event as simple and straightforward for you as possible.

Keynote Stage Set-Up

- Two (2) bottles of water—they do not need to be chilled; room temperature is preferred.
- Wireless handheld microphone or dual-ear headset microphone (no lapel or single-ear headset microphones please).
- Projector and screen—Kent uses very basic PowerPoint slides for most of his keynotes, but does not travel with a projector. Please contact our office by emailing booking@motivationalyouthspeaker.com if your auditorium is NOT set up for slide presentations or if you do not have the proper equipment.

Workshop/Seminar Set-Up

- Two (2) bottles of water—they do not need to be chilled; room temperature is preferred.
- Kent uses PowerPoint slides and/or one (1) flip chart with a stand and two (2) thick markers for most of his workshops/seminars. Please contact our office by emailing booking@motivationalyouthspeaker.com if you do not have the proper equipment or resources available for the workshop/seminar room Kent will be using.
- Depending on the workshop/seminar topic and length, Kent might request additional resources and supplies to enhance interaction and experiential learning (e.g. additional flip charts, colored markers, handouts, etc.). Our office will contact you if additional resources and supplies are needed.

Host and Table Team

- One to two (1-2) dependable and trustworthy individuals to serve as Kent's "hosts" so he knows where to be and by when. These individuals will also help Kent at his product table after his presentation.

Speaker's Table

- One (1) 6' or 8' skirted table located just inside or outside of where audience members exit the room.
- NOTE: This type of table should be set up at ALL of Kent's keynote and seminar/workshop sessions.
